FAQ:

- There is also a scholarship program available if your family is experiencing a hardship. Please see a staff member for more details. There is a scholarship application that must be completed and you will be contacted within 30 days of submitting your application regarding the decision. If you wish to play while you have a pending application, the fee schedule above will apply.
- The same fee schedule applies for caseworkers, occupational therapists, speech therapists, and other individuals that are visiting in a professional capacity. If any professional/organization wishes to pay the admission fee for the family being serviced or vice versa, that is to be arranged between the professional and family, regardless of the arrangements made, any service visits are \$2 per visit total. The service providers do have the option of purchasing an additional unlimited pass to cover an entire caseload for one year.
- If you have purchased a \$30 friends pass since April 1, 2009, your family will receive 10 free visits in gratitude for your donation.
- If you are court mandated to have supervised visitations at the PRC, you will be granted free admission only for the court-ordered visits that are supervised by PRC staff. All other visits will be charged the admission fee, per the above chart.
