

Nonnie Hood PRC

Safety Guidelines

Come visit the re-imagined PRC!

- Reserve a private play zone online at: www.nonniehoodprc.org/visit.
- Each zone has its own seating area and table.
- Toy & activity bins for various ages/interests are available at the check-in desk.
- Please review our sick policy before visiting.

Visit www.nonniehoodprc.org/calendar for upcoming programs & events.

Masks

Masks are required for all guests over the age of 2 unless a doctor's note is presented.

Cleaning

Play zones, toys, activities and restrooms will be thoroughly cleaned after each use using cleaning agents approved by EPA against COVID-19. Hand sanitizer is also available.

Sick Policy

Visitors, staff & volunteers are asked to review our sick policy and stay home if they are unable to follow its requirements. Temperature checks will occur before entry into the PRC.

Social Distancing

Private play zones and multi-household programming are arranged to enable social distancing.

Ventilation

NEW enhanced air filtration and purification system includes MERV 13 filters and iWave technology to promote a healthy air environment.

Food & Drink

Eating and drinking will not be permitted during general programming, with the exception of bottles or sippy cups for children age 2 and under. Please plan accordingly.
